# WE SAVE YOU TIME AND ENERGY

## LET US GET YOUR WEBSITE AND TECH WORK DONE UP FOR YOU - EASY AND RELIABLE

Some of the tech stack which we worked with for past clients: WordPress, Telegram, WhatsApp, AI, GPT-3, Stripe, Blockchain, APIs and the usual frameworks i.e. HTML, CSS, React, Python.

We have pools of tech talents from Vietnam, Indonesia and also globally for your longer term staffing needs too.

Get in touch for us to discuss and for us to share our past work.

Refer a business counterpart to Rocketship and both of you will get 15% off your projects with us.
